About Lifeline

Lifeline is a benefit that lowers the monthly cost of phone or internet service (not both). You are only allowed to get one Lifeline benefit per household, not per person.

Use this worksheet if someone else at your address gets Lifeline. The answers to these questions will help you find out if there is more than one household at your address. A household is a group of people who live together and share income and expenses (even if they are not related to each other.)

1. Do you live with another adult?

Adults are people who are 18 years old or older, or who are emancipated minors. This can include a spouse, domestic partner, parent, adult son or daughter, adult in your family, adult roommate, etc.
